A Historic Celebration of Buckskinners, Traders and Indians.
Always the second weekend in July.

March 18, 2010

It is once again time to plan for Chadron's annual Fur Trade Days 2010! This year is special for Chadron because Chadron's 125th anniversary is combined with Fur trade Days. Celebration activities start on Tuesday, July 6th and run through Sunday July 11th. The Board of Directors and the Celebration committee are excited about combining these two events and would like you to join us in the festivities.

We are expecting a much bigger attendance this year with the celebration. There are many different reunions planned for this time along with numerous other events. With events starting early in the week, you are welcome to come and set up your booth starting on Tuesday July 6th. Because of the expected attendance we are asking you to reply with your booth choices to allow us to make proper arrangements and to ensure you have adequate size and space for what you need.

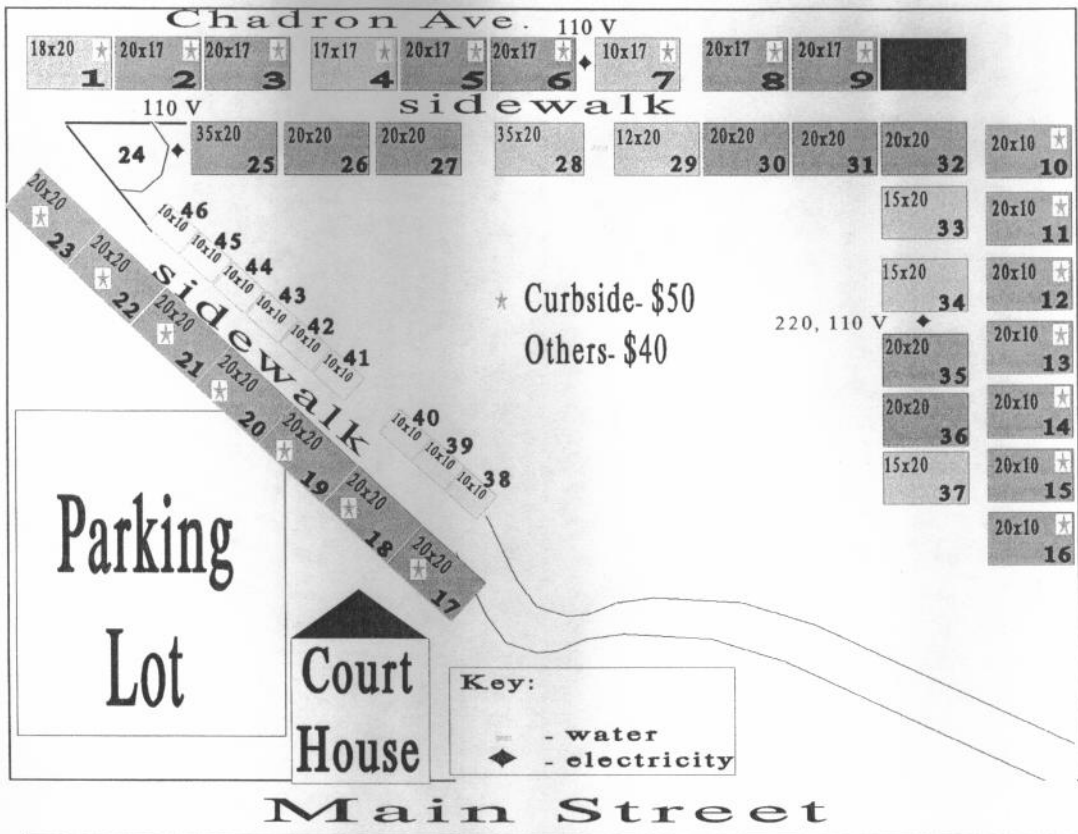

The Flea market is going to be set up on the courthouse lawn as in past years. The prices for the booth spaces are \$50.00 for the curbside booth and \$40.00 for all other booths. There is also an extra \$5.00 charge for those needing electricity. Due to the noise restrictions vendors may not run generators overnight. The booths are approximately 10 x 10, larger booths are available. We ask that you return the bottom half of the form along with payment. Checks should be made out to Fur Trade Days, Inc. Please send payment and form to:

Daryl Regier
350 Country Club Rd
Chadron, NE 69337

We are enclosing a map of the flea market. Please pick out the three booths you would like to have, with number one being your top pick and number 3 being your least choice. The number of booths is limited and is offered on a first come first serve basis. In the event a booth is not available for your business, your payment will be returned as soon as possible. The Courthouse will no longer allow any vehicles or campers to park on the lawn. However you will be allowed them to park on the west side of the courthouse in the courthouse parking lot. If you have any questions please call Daryl Regier at 308-430-4396.

I am sending an overview of the events going on each day. We look forward to hearing from you and please let me know if you have any questions,
Sincerely

Daryl Regier

Please cut on the line above and return.

_____ No. I would not be interested.

_____ Yes! I would like a booth for the Fur Trade Days flea market.

_____ With Electricity _____ Without Electricity
